## Röko partners with the owners of Hot Screen

Röko has signed an agreement to make an investment alongside the owners of Hot Screen. The company is one of Sweden's leading suppliers of heat transfers to apply prints on workwear and sportswear. Hot Screen has one of the world's most modern and most environmentally friendly factories in their market.

Hot Screen has had a strong development after the current owners Anna Skanselid, Fredrik Skanselid (CEO) and Anders Längnäs acquired the company in 2014 and reached 94 MSEK in turnover for the year ending 31 august 2019. The company is located in Fjärås outside Gothenburg and employs 45 people.
